

Privacy Policy

Last updated: June 17, 2025

Thank you for using TaskOrder, an innovative task management application that respects **your privacy**.

1. No collection of personal data

The TaskOrder app does not collect **any personal data**.

You do not need to create an account, and no information related to your identity (name, email address, location, etc.) is collected, stored, or shared.

2. Locally Recorded Data

All tasks you type are **saved only on your device**.

This data is not sent to a server or shared with any third party. **You are solely responsible for managing, backing up, and protecting locally stored data.**

3. Access to Device Features

TaskOrder does not require **access to sensitive features on your phone**.

The app respects your privacy by not requesting access to the camera, microphone, files, contacts or your location.

4. Subscriptions and in-app purchases

The app offers a paid subscription to unlock all the features.

Subscriptions are managed by **Google Play (Android)** or the **App Store (iOS)**. The TaskOrder app **does not access your payment data** and **does not store any**

transaction-related information. These operations are fully processed by the platforms.

5. Target audience

The app is intended for a **general audience**. It is not specifically designed for children under the age of 13.

6. Contact

For any questions or requests related to confidentiality, you can contact **GARANDEL Thomas EI** at the following address: **taskorder@unpharesurlatoile.com**
